Description

We are delighted to offer this fantastic eDeliver 7 L1 H1 77kWh, presented in a striking Blue finish. This cutting-edge electric van combines modern styling with outstanding efficiency, making it an ideal solution for businesses looking to transition to zero-emissions transport without compromising on practicality or performance. Powered by a robust 77kWh battery, the eDeliver 7 delivers smooth, quiet, and efficient electric driving, with an impressive range to support both city and longer-distance journeys. With low running costs, reduced maintenance, and exemption from congestion and ULEZ charges, it's a smart and future-ready investment. The L1 H1 configuration offers a highly usable load space in a compact, manoeuvrable body—perfect for urban deliveries or busy job sites. Wide rear doors and a low load floor make access easy, while the design ensures maximum versatility for a variety of commercial needs. Inside the cabin, the eDeliver 7 is equipped with a modern and

comfortable interior, complete with touchscreen infotainment, Bluetooth connectivity, air conditioning, and rear parking sensors. Everything is designed to make your working day more comfortable and efficient. This eDeliver 7 in Blue is a stylish and capable electric van, ready to meet the demands of your business while keeping your carbon footprint low. Price inclusive of government OZEV grant at £5,000. OZEV grant subject to Government approval and can be changed or withdrawn, without notice, at any time.
