Description

We are delighted to offer this MAXUS Deliver 7 L2 H1 FWD in Blanc White, combining electric innovation with everyday practicality. Designed for modern businesses, this mid-size electric van offers an impressive WLTP range of up to 230 miles (combined), making it ideal for both city driving and regional deliveries. The L2 H1 model delivers generous cargo capacity while maintaining a compact footprint for urban manoeuvrability. With a forward-thinking electric drivetrain, low running costs, and zero tailpipe emissions, the Deliver 7 is future-ready and ULEZ compliant. Inside, you'll find a comfortable, high-spec interior featuring modern connectivity and driver-focused technology. Whether you're upgrading your fleet or making the switch to electric, the Deliver 7 is ready to support your business every mile of the way. Contact us today to arrange a viewing or test drive. Nationwide delivery and finance options available.
