Description

The Maxus Deliver 9 L3H2 FWD LUX is a vehicle that truly stands out, offering a perfect blend of advanced technology, impressive performance, and exceptional comfort. This van is ahead of the game, providing a refined driving experience while maintaining excellent fuel efficiency. It's powered by a new Euro 6d 2.0L turbo diesel engine that delivers 150 brake horsepower, ensuring you have the power you need for any job. The LUX trim elevates the standard Deliver 9 with a host of premium features. The cabin is a modern and functional mobile office, featuring a 10-inch touchscreen infotainment system with Apple CarPlay and Android Auto. Standard luxuries include Air Conditioning, Cruise Control, and a multi-functional steering wheel. For enhanced safety and convenience, the LUX model also includes front and rear parking sensors, a reverse camera, and a Blind Area Monitoring System. You'll also benefit from keyless entry and start, and electric heated side mirrors. The

loading compartment is both substantial and practical, designed to handle heavy-duty loads. It features a heavy-duty steel bulkhead and rear doors that can be opened to a wide 260 degrees, allowing for easy loading with a forklift. The vehicle is also equipped with a low rear step, making foot access simple and effective. With a cargo volume of 11.55m³ and a payload of up to 1140kg, the Deliver 9 is a top performer in its class. This price cannot be combined with any other promotions or discounts.
