Description

We are delighted to offer this stunning eDeliver 5 L1 H2 64kWh, presented in sophisticated Obsidian Black. This fully electric van blends modern styling with outstanding efficiency and practicality—making it an ideal solution for businesses looking to reduce their environmental impact without compromising on performance. Powered by a reliable 64kWh battery, the eDeliver 5 offers smooth, quiet, and emissions-free driving with an impressive usable range—perfect for urban deliveries, local routes, and day-to-day commercial use. With reduced running costs and full exemption from ULEZ and congestion charges, it's a cost-effective and forward-thinking choice. Price inclusive of government OZEV grant at £5,000. OZEV grant subject to Government approval and can be changed or withdrawn, without notice, at any time. The L1 H2 layout offers the perfect mix of compact exterior dimensions for easy manoeuvrability, and a high roof design that adds valuable vertical load space—

ideal for transporting taller items or maximising storage capacity. Rear and side access doors make loading and unloading fast and convenient. Inside, the driver-focused cabin is equipped with touchscreen infotainment, Bluetooth connectivity, air conditioning, and rear parking sensors, providing a comfortable and well-connected workspace to keep you productive on the go. Stylish, efficient, and future-ready, this eDeliver 5 in Obsidian Black is the smart choice for businesses ready to embrace electric mobility with confidence.
