Description

Robust, reliable and ready for work, this MAXUS Deliver 9 RWD Single Rear Wheel MC Base is fitted with a practical 3-way tipper body, making it ideal for construction, landscaping, utilities and groundwork operations. Powered by a strong and efficient Euro 6 diesel engine with a manual gearbox, this rear-wheel-drive setup offers excellent traction and load capability while remaining economical and fully ULEZ compliant. The vehicle benefits from power steering, electric windows, central locking, an adjustable driver's seat and a modern, functional cab with useful storage, delivering comfort alongside durability. Well maintained and HPI clear, this hard-working tipper is ready to earn from day one. Part exchange welcome, finance options available and nationwide delivery can be arranged — call today to arrange a viewing or test drive.
