### Description

We are delighted to offer this superb eDeliver 5 L1 H2 64kWh, finished in a stylish and modern Grey. This fully electric van is designed to meet the needs of today's businesses, offering a perfect balance of compact dimensions, generous load space, and zero-emissions efficiency. Powered by a robust 64kWh battery, the eDeliver 5 delivers a smooth and quiet driving experience with a practical electric range—ideal for city deliveries and daily commercial use. With no tailpipe emissions, low running costs, and exemption from ULEZ and congestion charges, it's a smart and sustainable choice for any business. The L1 H2 configuration offers easy manoeuvrability with a compact wheelbase, while the high roof enhances internal cargo space, making it suitable for taller loads or added storage. Rear and side access doors provide convenient loading options to maximise efficiency on the job. Inside the cabin, you'll find a clean and functional layout with features such

as touchscreen infotainment, Bluetooth connectivity, air conditioning, and rear parking sensors—all designed to keep you connected, comfortable, and in control throughout your working day. This eDeliver 5 in Grey is a forward-thinking commercial vehicle that's ready to meet the challenges of modern transport with zero compromise. Price inclusive of government OZEV grant at £5,000. OZEV grant subject to Government approval and can be changed or withdrawn, without notice, at any time.
