Description

We are delighted to offer this impressive eDeliver 7 L1 H1 77kWh, finished in a sleek and modern Silver. As part of the next generation of electric commercial vehicles, the eDeliver 7 delivers zero-emissions driving without compromising on space, performance, or practicality—making it an ideal choice for forward-thinking businesses. Equipped with a powerful 77kWh battery, this fully electric van offers excellent range and smooth, quiet performance, making it perfect for both urban deliveries and longer journeys. With low running costs and exemption from congestion charges and ULEZ fees, it's a smart investment for the future. The L1 H1 configuration provides a versatile load area with easy access and ample room for cargo, tools, or equipment—ideal for trades, couriers, or fleet use. Its compact footprint and tight turning circle make it especially well-suited to city driving and tight spaces. Inside, the cabin is comfortable and modern, featuring the latest technology to

support your work on the road. Expect features like touchscreen infotainment, Bluetooth connectivity, rear parking sensors, and a driver-focused layout designed for everyday practicality. Price inclusive of government OZEV grant at £5,000. OZEV grant subject to Government approval and can be changed or withdrawn, without notice, at any time.
