Description

We are delighted to offer this excellent eDeliver 7 L1 H1 77kWh, finished in clean and professional White. This fully electric van is a perfect blend of modern design, practicality, and zero-emissions efficiency—ideal for businesses looking to upgrade their fleet and future-proof their operations. Fitted with a powerful 77kWh battery, the eDeliver 7 delivers smooth and quiet electric performance with an impressive range, making it suitable for both city driving and longer journeys. Benefit from low running costs, reduced maintenance, and exemption from ULEZ and congestion charges—perfect for urban use. The L1 H1 configuration provides a highly practical load space while remaining compact and manoeuvrable, ideal for tight city streets or busy delivery routes. With wide-opening rear doors and a low loading height, it's built for everyday functionality. Inside, the cabin is designed for comfort and convenience, with features such as touchscreen infotainment, Bluetooth connectivity, rear parking sensors, and air conditioning. Everything is focused on making your working day easier and more efficient. Whether you're a sole trader or part of a growing fleet, this eDeliver 7 in White is a reliable and eco-conscious choice that's ready to work. Price inclusive of government OZEV grant at £5,000. OZEV grant subject to Government approval and can be changed or withdrawn, without notice, at any time.
