Description

We are delighted to offer this outstanding eDeliver 7 L1 H1 88.55kWh, finished in a bold and contemporary Blue. Designed to meet the needs of modern businesses, this fully electric van combines impressive range, zero-emissions performance, and practical design in one sleek package. Powered by the upgraded 88.55kWh battery, this eDeliver 7 delivers excellent range and smooth electric power—ideal for both city use and longer commercial journeys. With low running costs, reduced maintenance requirements, and exemption from ULEZ and congestion charges, it's a smart choice for cost-conscious, eco-minded operators. The L1 H1 configuration offers a well-proportioned load space that balances generous cargo capacity with compact dimensions—perfect for urban manoeuvrability and tight delivery routes. Rear and side access makes loading and unloading simple and efficient. Inside the cabin, you'll find a comfortable and well-equipped workspace, featuring

touchscreen infotainment, Bluetooth connectivity, air conditioning, and rear parking sensors—everything designed to support you throughout your working day. Striking in Blue and packed with advanced electric technology, this eDeliver 7 is a reliable and future-ready commercial vehicle that’s ready to get to work.
