Description

Northside Truck & Van is a well-established MAXUS dealer, operating from three locations across Yorkshire and supplying high-quality vehicles to customers, with delivery available throughout the UK. We pride ourselves on providing a hassle-free buying experience, supported by expert product knowledge and comprehensive aftersales care. Every new MAXUS vehicle comes with a 5-year / 60,000-mile warranty, while electric models also benefit from an 8-year / 100,000-mile battery warranty. For added peace of mind, complimentary breakdown cover is included as standard. Get in touch with our friendly and experienced sales team to discuss your requirements and find the right vehicle for your needs. The Maxus Deliver 9 is a vehicle ahead of the game, offering excellent style and comfort while providing impressive fuel efficiency. Powered by a new Euro 6d 2.0L turbo diesel engine, it produces a maximum of 120 brake horsepower, delivering a powerful and smooth

performance. This L3 H2 FWD model is a superb example, providing a fantastic combination of load space and practicality. This van is fully equipped as standard with a comprehensive list of features that make for a pleasurable driving experience. The interior is spacious, comfortable, and full of technology designed to keep you on the road for longer. Key features include Air Conditioning, Cruise Control, a multi-functional steering wheel, and a radio with Bluetooth connectivity. For added practicality, you'll find under-seat storage, USB and mini jack ports, and a foldable seat with a cupholder and tablet holder. The loading compartment is substantial and practical, designed to handle heavy-duty loads. With a cargo volume of 11.55m³ and a payload of up to 1215kg, it offers excellent space for your needs. The loading compartment includes a heavy-duty steel bulkhead and rear doors that can be opened to 260 degrees, allowing for easy loading with a forklift. The vehicle is also equipped with a low rear step, making foot access simple and effective.
