Description

This brand new MAXUS Deliver 9 Work Ready Tipper has covered just 10 miles and is finished in White, offering an excellent opportunity to put a ready-to-work commercial vehicle straight into service. Powered by the reliable 2.0-litre D20 diesel engine with a manual gearbox and rear-wheel drive, the Deliver 9 provides strong performance, durability, and excellent load-carrying capability. The L3 long wheelbase and dual rear wheel configuration provide a stable and practical platform for demanding commercial applications. Fitted with a tipper body, this Work Ready model is ideally suited to construction, landscaping, groundwork, utilities, and other trades where the ability to quickly unload loose materials is essential. The practical design provides excellent versatility while maintaining the renowned MAXUS value and usability. Fully Euro 6 compliant and ULEZ friendly, this delivery-mileage example is ready to go straight to work without the delays associated with ordering and converting a new vehicle. Presented in excellent condition throughout with just 10 miles, this brand new Deliver 9 Tipper is available for immediate delivery.
