Description

This brand new MAXUS Deliver 9 Work Ready Dropside has covered just 2 miles and is finished in White, offering an excellent opportunity to secure a ready-to-work commercial vehicle with immediate availability. Powered by the reliable 2.0-litre D20 diesel engine paired with a manual gearbox and rear-wheel drive, the Deliver 9 provides strong performance, durability, and excellent load-carrying capability. The L4 long wheelbase configuration provides an extended load platform, making it ideal for transporting materials, equipment, machinery, and general cargo. Fitted with a practical dropside body, this Work Ready model is particularly well suited to construction, building, landscaping, groundwork, utilities, and trade applications. The open load area provides easy access from the sides, making loading and unloading quick and straightforward. Fully Euro 6 compliant and ULEZ friendly, this vehicle is suitable for both urban and longer-distance operations. Presented in excellent condition throughout with just
