Description

We are delighted to offer this MAXUS eDeliver 3 panel van with short wheelbase for sale. Available for immediate delivery, this fully-electric van comes with up to 151-mile combined range (or a city range of up to 213 miles) and an 50.23kWh battery which has both AC and DC charging capability, so you can recharge 20 - 80% in as little as 45 minutes. Boasting a maximum payload of a massive 945 kg without passengers. There is 0% benefit in kind and the VAT can be fully reclaimed because it is a commercial vehicle. The standard specification is anything but standard with air con, rear view camera, Apple CarPlay / QDLink and Bluetooth. Buy with confidence from Northside Truck & Van with 8 dealerships across Yorkshire and Lincolnshire. We can deliver across the UK and have various finance packages available. Maxus vehicles are covered by a 5-year / 60,000 mile warranty, 5-year Maxus Assistance breakdown cover (provided by RAC) and 8-year / 100,000 mile

battery warranty. Price inclusive of government OZEV grant at £5,000. OZEV grant subject to Government approval and can be changed or withdrawn, without notice, at any time. Contact our friendly, experienced sales team today.
