Description

Boasting an incredibly low mileage of just 10 miles, this 2025 MAXUS Deliver 9 is practically new and comes with the reassurance of a 60 month warranty. This L3 H2 Euro 6 compliant panel van is powered by a 2.0 litre D20 diesel engine delivering 148 bhp, and features rear parking sensors, air conditioning, and a radio with MP3, AUX, USB, and Bluetooth connectivity. With only one owner since new, this vehicle offers excellent provenance. The MAXUS Deliver 9 is designed for practicality and efficiency, evident in its Euro 6 emission classification and its substantial 2800 kg towing weight, making it a capable choice for a variety of tasks. The inclusion of modern conveniences such as Bluetooth and rear parking sensors further enhances its usability, setting it apart from other vehicles in its class.
