| Black         | Consumption | N/A       |          |        |             |

### Description

Boasting an exceptionally low mileage of just 10 miles, this 2024 MAXUS Deliver 9 L3 H2 is practically new and ready for immediate use. This one owner vehicle is a 2.0 D20 FWD Euro 6 (s/s) 5dr model, powered by a capable 2.0 litre diesel engine delivering 161 bhp. It comes equipped with rear parking sensors for easier manoeuvring, air conditioning to keep you comfortable, and a versatile radio system with MP3, AUX, USB, and Bluetooth connectivity. The MAXUS Deliver 9 stands out with its impressive 2800 kg towing weight, offering greater capability than many similar vehicles. Its Euro 6 emissions classification ensures it meets current environmental standards. This particular derivative, the D20, combines practical features with strong performance, making it a reliable choice for a variety of professional needs.
