Description

Boasting an exceptionally low mileage of just 10 miles, this 2024 MAXUS Deliver 7 is practically new. This D20 derivative, a 2.0 D20 FWD L2 Euro 6 (s/s) 5dr model, is powered by a 2.0 litre diesel engine delivering 148 bhp and meets Euro 6 emissions standards. It comes with the reassurance of having had only one owner from new. This MAXUS Deliver 7 is equipped with a range of notable features designed to enhance your driving experience. These include front and rear parking sensors with parking assistance, a heated multifunctional steering wheel, and a reversing camera for easier manoeuvring. The vehicle also benefits from a heated pack, featuring heated seats and a heated windshield, alongside LED headlights and LED rear taillights. These features collectively indicate a superior level of comfort and convenience compared to other vehicles in its class.
