Description

This 2026 MAXUS eDeliver 5 64kWh Auto L1 H2 6dr is a superb pre-registered electric van, meaning you will be the second owner owner from new. This electric van boasts a 64 kWh battery offering a maximum range of 190 miles, and can achieve an 80% charge in just 48 minutes at a public charging point. Inside, you'll find a 12.3 inch touch screen complete with MP5, USB, Bluetooth, Wireless CarPlay, and Android Auto, alongside DAB radio. For driver convenience and comfort, it features Adaptive Cruise Control, rear parking sensors, and heated front seats. A detachable front tow hook is also included. The eDeliver 5 is powered by an electric motor delivering an impressive 161 bhp, providing a responsive driving experience. The inclusion of Wireless CarPlay and Android Auto, along with Adaptive Cruise Control and rear parking sensors, sets this vehicle apart, offering enhanced connectivity and ease of use compared to many other vans on the market. This MAXUS eDeliver 5 comes with the balance of the Manufacturer's 5

year warranty for your peace of mind.
