Description

This 2026 MAXUS eDeliver 5 is a pristine example, having had only one owner since new. This electric van, in its 64kWh Auto L1 H2 6dr derivative, offers a substantial 190 mile battery range, ensuring you can tackle your daily routes with confidence. Its impressive 161 bhp engine power provides ample performance for any task. The eDeliver 5 comes equipped with a suite of advanced features designed for convenience and safety. Navigate with ease using the 12.3 inch touch screen, complete with MP5, USB, Bluetooth, Wireless CarPlay, Android Auto, and DAB radio. Parking is made simple with the 360 Around View System, offering a comprehensive view of your surroundings. For added comfort, enjoy the heated front seats, and for those needing to tow, a detachable front tow hook is included. These features collectively enhance the eDeliver 5's capability and appeal compared to other vehicles in its class.
