Description

This 2026 MAXUS eDeliver 5 is a remarkable find, boasting a single owner since new. This electric van, presented in the 64kWh Auto L1 H2 6dr derivative, offers a substantial 64 kWh battery capacity, providing a maximum range of 190 miles when new. It comes equipped with convenient heated front seats, a detachable front tow hook, and air con for driver comfort. The advanced 12.3 inch touchscreen system supports MP5, USB, Bluetooth, Wireless CarPlay, Android Auto, and DAB radio, ensuring seamless connectivity. For effortless manoeuvring, a 360 around view system is also included. The eDeliver 5 stands out with its impressive 161 bhp electric engine power, delivering a responsive driving experience. Its rapid charging capability is a significant advantage, capable of reaching 80% charge from empty in just 48 minutes at a public charging station. These features collectively highlight the eDeliver 5's superior performance and convenience compared to other vehicles in its class, making it a practical and advanced choice for your needs.
