Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 H2 6dr represents a unique opportunity to acquire a virtually new electric van. As a single owner vehicle, it comes with the assurance of minimal use and excellent provenance. This electric van features a substantial 64 kWh battery, offering a maximum range of 190 miles on a full charge, and can achieve an 80% charge in as little as 48 minutes at a public charging point. The MAXUS eDeliver 5 is equipped with a suite of modern features designed for convenience and safety. Inside, you'll find a 12.3 inch touch screen supporting MP5, USB, Bluetooth, Wireless CarPlay, and Android Auto, alongside DAB radio. For comfort, it includes air conditioning, and for enhanced visibility and safety, LED headlights and a 360 around view system with rear parking sensors are fitted. The vehicle boasts an impressive engine power output of 161 bhp, indicating a strong performance that sets it apart from many other electric vans in its class.
