Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 H2 6dr represents an exceptional find, having had only one owner since new. This electric van combines practicality with advanced technology, featuring a substantial 64 kWh battery offering a maximum range of 190 miles on a full charge. When you need to top up, it can reach 80% charge in as little as 48 minutes at a public charging point. The eDeliver 5 is equipped with a powerful 161 bhp electric motor, ensuring a responsive driving experience. Its notable features include a 360 Around View System with parking assistance, providing complete visibility around the vehicle. For enhanced safety and convenience, it comes with LED headlights, a 12.3in touchscreen supporting MP5, USB, Bluetooth, wireless Apple CarPlay and Android Auto, and DAB radio. Parking is made easier with rear parking sensors, and for added utility, it includes a detachable front tow hook. These features collectively position the MAXUS eDeliver 5 as a

superior choice in its class.
