Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents a unique opportunity to acquire a virtually new electric van. As a single owner vehicle, it has been meticulously maintained and is presented in exceptional condition. This electric van is equipped with a substantial 64 kWh battery, offering a maximum range of 208 miles on a full charge, making it ideal for a variety of commercial needs. The MAXUS eDeliver 5 is designed for comfort and convenience, featuring heated front seats to keep you warm on colder days. For effortless driving, it includes Adaptive Cruise Control, which automatically adjusts your speed to maintain a safe distance from the vehicle ahead. Navigating tight spaces is made simple with the 360 Around View System, providing a comprehensive view of your surroundings. Inside, you'll find a 12.3 inch touch screen complete with MP5, USB, Bluetooth, Wireless CarPlay, Android Auto, and DAB radio, ensuring seamless connectivity and entertainment. The cabin

also benefits from air conditioning for a pleasant environment. With an engine power of 161 bhp, this eDeliver 5 offers strong performance, and its rapid charging capability allows for an empty to 80% charge in just 48 minutes, minimising downtime and maximising productivity.
