Description

This 2026 MAXUS eDeliver 5 is a remarkable find, boasting an incredibly low mileage of just 2 miles and having had only one owner from new. This electric van, presented in the 64kWh Auto L1 H2 6dr derivative, offers a substantial battery total capacity of 64 kWh, providing a maximum range of 190 miles when new. It comes equipped with a suite of advanced features designed for convenience and safety, including a 360 Around View System with parking assistance, LED headlights for superior visibility, and heated front seats for comfort in all conditions. The inclusion of air conditioning ensures a pleasant cabin environment, and the detachable front tow hook adds to its versatility. The MAXUS eDeliver 5 stands out with its impressive 161 bhp electric engine power, delivering a responsive driving experience. Its rapid charging capability is a significant advantage, allowing for a charge from empty to 80% in just 48 minutes on a public charger, minimising downtime. These highlights demonstrate how this particular eDeliver 5 offers

enhanced practicality and efficiency compared to other vehicles in its class, making it an excellent choice for those seeking a nearly new, highly capable electric van.
