### Description

This 2026 MAXUS eDeliver 5 is a remarkable find, boasting an incredibly low mileage of just 2 miles, making it practically new. As a single owner vehicle, this electric van offers a 64kWh battery with a maximum range of 190 miles on a full charge. It features automatic transmission and a practical L1 H2 configuration with 6 doors. For your comfort and convenience, it comes equipped with LED headlights, air conditioning, heated front seats, and rear parking sensors. Additionally, a detachable front tow hook is included, adding to its versatility. The MAXUS eDeliver 5 stands out with its impressive 161 bhp electric engine, providing ample power for your needs. When it comes to charging, you can achieve an 80% charge in just 48 minutes at a public charging station, minimising downtime. These features collectively demonstrate how this eDeliver 5 offers a superior driving and ownership experience compared to other vehicles in its class, combining efficiency, comfort, and advanced technology.
