Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents a unique opportunity to acquire a virtually new electric van. As a single owner vehicle, it comes with the assurance of careful stewardship. This electric van is equipped with a 64 kWh battery, offering a maximum range of 208 miles when new, making it a practical choice for a variety of journeys. Notable features include a detachable front tow hook with an integrated towbar, air conditioning for comfort, and heated front seats for those colder days. The advanced 12.3in touch screen system supports MP5, USB, Bluetooth, wireless Apple CarPlay and Android Auto, and DAB radio, ensuring you stay connected and entertained. The MAXUS eDeliver 5 stands out with its impressive 161 bhp electric engine power, providing a responsive and capable driving experience. The 208 mile maximum range at new highlights its efficiency and suitability for longer routes, while the rapid charging capability means it can

reach 80% charge from empty in just 48 minutes at a public charging station, minimising downtime. Further enhancing its appeal are the LED headlights, which offer superior visibility. These combined attributes demonstrate how this MAXUS eDeliver 5 offers a superior proposition compared to other vehicles in its class.
