Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents an exceptional opportunity to acquire a virtually new electric van. As a single owner vehicle, it has been meticulously maintained and is presented in outstanding condition. This electric van is equipped with a substantial 64 kWh battery, offering a maximum range of 208 miles when new, ensuring you can tackle your daily routes with confidence. The eDeliver 5 comes with a suite of advanced features designed to enhance your driving and working experience. These include Adaptive Cruise Control for effortless motorway journeys, rear parking sensors and a 360 Around View System to assist with manoeuvring in tight spaces, and bright LED headlights for improved visibility. Inside, you'll find a 12.3in touch screen complete with MP5, USB, Bluetooth, Wireless CarPlay, Android Auto, and DAB radio, keeping you connected and entertained. The 161 bhp electric engine provides ample power, making this MAXUS eDeliver 5 a superior choice for those seeking efficiency and

modern technology.
