### Description

This 2026 MAXUS eDeliver 5 is presented in exceptional condition, having covered an incredibly low mileage of just 2 miles from new and boasting a single owner. This electric van, the 64kWh Auto L1 6dr derivative, offers a substantial battery total capacity of 64 kWh, providing a maximum range of 208 miles. Enhancing your driving experience are front heated seats, rear parking sensors for easier manoeuvring, and adaptive cruise control for relaxed journeys. The advanced 360 around view system offers complete visibility, while the detachable front tow hook adds practical versatility. The MAXUS eDeliver 5 stands out with its impressive 161 bhp electric engine power, ensuring responsive performance. Its 208 mile maximum range at new indicates a strong capability for daily use compared to many other electric vehicles. Furthermore, the rapid charging capability means you can achieve an 80% charge from empty in just 48 minutes at a public charging point, minimising downtime and maximising your productivity. This combination of low mileage, single ownership, and advanced

features makes this eDeliver 5 a compelling choice.
