Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents a unique opportunity to acquire a virtually new electric van. As a single owner vehicle, it comes with the assurance of careful stewardship. This electric van is equipped with a substantial 64 kWh battery, offering a maximum range of 208 miles when new, making it a practical choice for a variety of journeys. The eDeliver 5 is designed for modern convenience and connectivity. It features a large 12.3 inch touch screen with MP5, USB, Bluetooth, Wireless CarPlay, and Android Auto, alongside DAB radio. For ease of parking and manoeuvring, it includes rear parking sensors and a 360 around view system. Driving comfort is enhanced by adaptive cruise control and air conditioning. The electric powertrain delivers an impressive 161 bhp, and the battery can be charged from empty to 80% in as little as 48 minutes at a public charging point, highlighting its efficiency and readiness for use.
