Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents a unique opportunity to acquire a virtually new electric van. As a single owner vehicle, it comes with the assurance of careful stewardship. This electric van is equipped with a substantial 64 kWh battery, offering a maximum range of 208 miles on a full charge. For convenience, it can achieve an 80% charge in as little as 48 minutes at a public charging station. The MAXUS eDeliver 5 is designed for modern driving and practicality. It features Adaptive Cruise Control for relaxed journeys, and Air Conditioning to ensure a comfortable cabin environment. The 12.3 inch touchscreen is a central hub for entertainment and connectivity, supporting MP5, USB, Bluetooth, Wireless CarPlay, and Android Auto, alongside DAB radio. Navigating tight spaces is made effortless with the 360 Around View System, providing a comprehensive view of your surroundings. Furthermore, the LED headlights offer superior illumination for enhanced visibility. The vehicle's electric powertrain delivers an impressive 161 bhp, indicating a strong performance that sets it apart from other similar vehicles.
