### Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents a unique opportunity to acquire a virtually new electric van. As a single owner vehicle, it comes with the benefit of its original manufacturer warranty, offering peace of mind. This electric van is equipped with a 64 kWh battery, providing a maximum range of 208 miles on a full charge. For convenience, it features heated front seats, LED headlights for enhanced visibility, and a comprehensive 12.3 inch touchscreen infotainment system complete with MP5, USB, Bluetooth, Wireless CarPlay, Android Auto, and DAB radio. Parking is made effortless with the 360 Around View System, and for added utility, it includes a detachable front tow hook. The MAXUS eDeliver 5 stands out with its impressive 161 bhp electric engine, delivering responsive performance for your daily needs. Its battery capacity of 64 kWh allows for a substantial driving range of 208 miles, a key advantage for businesses covering significant distances. When you need to recharge, the eDeliver 5 can

reach 80% battery capacity in just 48 minutes at a public charging station, minimising downtime. These highlights demonstrate the eDeliver 5's capability and efficiency, positioning it as a superior choice for those seeking a modern, capable, and environmentally friendly commercial vehicle.
