Description

With only 2 miles on the clock, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents an exceptional opportunity to acquire a virtually new electric van. This single owner vehicle boasts a substantial 64 kWh battery, offering a maximum range of 208 miles on a full charge. For convenience, it can achieve an 80% charge in just 48 minutes at a public charging station. The eDeliver 5 comes equipped with essential features for modern driving, including Air Conditioning, Rear Parking Sensors, and a comprehensive 360 Around View System for effortless manoeuvring. The driving experience is enhanced by LED Headlights for superior visibility and a large 12.3in Touch Screen. This advanced infotainment system supports MP5 playback, USB connectivity, Bluetooth, Wireless CarPlay, Android Auto, and DAB radio, ensuring you stay connected and entertained. The eDeliver 5 delivers an impressive 161 bhp, providing ample power for any task. These highlights demonstrate how this MAXUS eDeliver 5 stands out, offering a blend of efficiency, advanced technology, and performance that

surpasses many other vehicles in its class.
