Description

Boasting an incredibly low mileage of just 2 miles for its 2026 registration, this single owner MAXUS eDeliver 5 64kWh Auto L1 6dr presents an exceptional opportunity. This electric van combines practicality with modern technology, featuring a substantial 64 kWh battery offering a maximum range of 208 miles. For convenience on the go, it includes Air Conditioning, rear parking sensors, and a comprehensive 12.3in touch screen system with MP5, USB, Bluetooth, Wireless CarPlay, Android Auto, and DAB radio. Long journeys are made more comfortable with Adaptive Cruise Control, and visibility is enhanced by LED headlights. The MAXUS eDeliver 5 stands out with its impressive electric performance, delivering 161 bhp for efficient power delivery. Its 208 mile maximum range at new indicates its capability for daily use, while the rapid charging feature allows for an empty to 80% charge in just 48 minutes on compatible public chargers, making it a practical choice for businesses. This derivative is designed to offer a superior driving and ownership experience compared to other vehicles in
