### Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents a unique opportunity to acquire a virtually new electric van with only one owner. This electric vehicle is equipped with a substantial 64 kWh battery, offering a maximum range of 208 miles when new. For your comfort and convenience, it features Air Conditioning, a Detachable Front Tow Hook, and rear parking sensors. Navigating tight spaces is made effortless with the 360 Around View System, and the impressive 12.3 inch touch screen provides seamless connectivity through MP5, USB, Bluetooth, Wireless CarPlay, and Android Auto, alongside DAB radio. The MAXUS eDeliver 5 stands out with its impressive 161 bhp electric engine, delivering responsive power for your daily needs. Its 208 mile maximum range highlights its capability for longer journeys, while the rapid charging feature allows for an empty to 80% charge in just 48 minutes, minimising downtime. These key attributes, combined with its near new condition and single owner provenance, position this eDeliver 5 as an exceptional choice compared to other vehicles in its class.
