Description

Boasting an incredibly low mileage of just 2 miles, this 2026 MAXUS eDeliver 5 64kWh Auto L1 6dr represents a unique opportunity to own a virtually new electric van. As a single owner vehicle, it comes with the benefit of its full manufacturer warranty and is presented in exceptional condition. This electric van is equipped with a substantial 64 kWh battery, offering a maximum range of 208 miles on a full charge, making it ideal for a variety of commercial needs. The eDeliver 5 is designed for modern convenience and efficiency. It features a large 12.3 inch touchscreen with MP5, USB, Bluetooth, Wireless CarPlay, and Android Auto, alongside DAB radio for seamless connectivity and entertainment. Comfort is assured with air con and heated front seats, while LED headlights provide excellent visibility. For effortless driving, Adaptive Cruise Control is included. The 161 bhp electric motor ensures responsive performance, and with a rapid charging time of just 48 minutes from empty to 80% on public chargers, downtime is minimised, setting it apart from other vehicles in its class.
